Claiming your £250

We hope you never need to claim your Excess Return. But if you do, there's no nonsense. After an accident, just call Dacia first on **0330 102 8848**. Do this before you call your insurer or else you'll miss out.

Then we'll give you up to £250 towards your insurance excess, no matter who insures you.

Say your excess is £350. We shave off £250. You do the maths! That's right, you only pay £100.

Why call us first?

- 1 To save big money! Get up to £250 off your insurance excess.
- 2 We'll make sure that your car's repaired at a Dacia Approved Repairer using genuine parts. You're unlikely to get this by calling your insurer first, as they like to cut costs.
- 3 We'll pick your Dacia up anywhere in the UK*.
- 4 Because life doesn't stop, we'll sort you a courtesy car whilst yours is repaired.
- 5 You can relax in the knowledge that we'll handle your claim. We'll even get in touch with your insurer for you.

Terms and Conditions of the Excess Return Voucher

Free Excess Return is available to customers who purchase a new Dacia from a Dacia UK dealer and apply for free 7 Day Insurance. There are exclusions and conditions that you must follow for the Voucher to apply. To redeem the voucher you must call Dacia First on 0330 102 8848 after a vehicle accident and before your insurer. This is valid for one year. Where we accept your vehicle for repair we will pay up to £250 cash back towards any policy excess paid by you. You will be required to pay the repairer your applicable Motor Insurance Policy Excess. Once the repair is completed and your insurer has settled the claim we will refund you £250 or the value of your excess whichever is the lower. Nothing in this offer obliges us to accept any vehicle for repair and this offer may be withdrawn at any time. Where we manage the vehicle repair, we will do so in conjunction with your motor insurer if the accident was your fault, or the other driver's insurer if they were at-fault and if they have accepted liability. *Accident recovery is provided when Call Dacia First handles your insurance claim on your behalf with your insurer. The voucher is not valid for standalone glass claims. Only one voucher can be issued per vehicle. The voucher can only be used once. The repair cost must be settled by your insurer. The Excess Return Voucher and the Call Dacia First service is provided on behalf of Dacia UK by Retention UK Ltd registered in England and Wales Company No.05687158, Batchworth House, Church Street, Rickmansworth, Herts WD3 1JE which is regulated by the Claims Management Regulator in respect of regulated claims management activities.
